The Siberia left for San Francisco yesterday morning with a circle of imperial yellow around her hull and the Imperial Chinese Commission on board. There were several interesting incidents in connection with the departure of the craft, among them being the courtesy shown by the Commissioners themselves in coming to the edge of the gangway to shake hands with Mr. F. W. Damon and Rev. E. W. Thwing.

Another was the playing of the Chinese national anthem, "Auld Lang Syne," "Aloha Oe," "Good Bye, Little Girl, Good Bye" and "The Star Spangled Banner" by the Hawaiian band. Such a cosmopolitan musical combination is not easy to find even in Ha-

Another incident was the calling of a bridal couple to the edge of the gang plank "on important business." The groom was called and of course his bride followed. Once in the clutches of their friends they were pelted with rice as they went back up the gang plank and the wedding rice sprinkled over Hawaiian leis was another sight not seen every day.
